Dear Friends,

Your library is a wonderful friend who can help you explore new adventures. Discover new ideas. Imagine new worlds. So why not be a Friend of your library? The Friends of the Chelsea Public Library is an all-volunteer, non-profit organization that provides financial support to the library. In this era of budget cuts and shrinking funds, our library needs your help more than ever. The Friends of the Chelsea Public Library are dedicated to enhancing the quality of our Library by providing materials, services and programming not funded by the library budget. From museum passes to funding children's programming, the Friends help ensure our Library serves our community at the highest level. This past year, the friends supported the 9th Annual Family Literacy Day, purchased badly needed new computer monitors and are working with the Library to purchase brand new tablets for the Children's Department. Additionally, Museum passes purchased by the Friends, such as the Museum of Fine Arts, the Boston Science Museum and the Boston Children's Museum, are some of the most requested items the Library offers. The Friends of the Chelsea Public Library is a 501(C)(3) non-profit organization. Your contribution is tax deductible to the extent allowed by law.
